

EMPLOYEE USE OF CELLULAR TELEPHONES

Teachers/In-school support staff

Use of cellular telephones for personal calls while performing the functions of an employee's duties is prohibited. Teachers and support staff within the school shall not use cellular telephones when teaching or supervising students.

School Bus Drivers

School bus drivers are prohibited from using cellular telephones and other electronic devices, with the exception of two way radios, while the school bus is in motion. Bus drivers may use cellular telephones in the presence of students for emergency situations, mechanical breakdowns or mechanical problems when the school bus is parked.

Emergency Use

Students, faculty, and staff are encouraged to use any available cellular telephone in the event of an emergency situation that threatens the safety of students, faculty and staff or other individuals.

The use of cellular telephones by faculty or staff to make personal calls will not be done in the presence of the students.

District employees will be reimbursed at a reasonable rate for district related cellular telephone calls.
