

COMPUTER NETWORK AND INTERNET ACCESS RELEASE FORM

As a condition of my right to use the School District network resources, including access to the Internet. I understand and agree to the following:

1. To abide by the District Acceptable Use Procedures and Code of Conduct.
2. That District administrators have the right to review my material stored on District computers in files and to edit or remove any material which they, in their sole discretion, believe may unlawful, obscene, abusive, or otherwise objectionable and I hereby waive the right of privacy which I may otherwise have to such material.
3. That the School District will not be liable for any direct or indirect, incidental or consequential damages due to information gained and/or obtained via the use of the District's network resources.
4. That the School District will not warrant that the functions of any District network, or any network accessible through District resources, will meet any specific requirements you may have, or that the network resource will be error free or uninterrupted.
5. That the District shall not be liable for any direct or indirect, incidental or consequential damages (including lost data or information) sustained or incurred in connection with the use, operation, or inability to use District networks or resources.
6. That the use of the District network(s), including access to public networks, is a privilege that may be suspended or revoked by network administrators at any time for violation of the Acceptable Use Procedures and Code of Conduct. The School District will be the sole arbiter(s) of what constitutes a violation of the Acceptable Use Procedures and Code of Conduct.
7. That I will attend an Internet use information session in order to receive an Internet Access Card, and that any use of the Internet is expressly forbidden without open display of the card each time I log on to the Internet.
8. In consideration for the privilege of using the School District network resources and in consideration for having access to the public networks. I hereby release the School District network resources and in consideration for having access to the public networks, I hereby release the School District, its operators, and any institutions with which they are affiliated from any and all claims and damages of any nature arising from my use, or inability to use, the District network resources.
