

STUDENT DRESS CODE

The responsibility for the appearance of the students rests with the parents and the students themselves.

Parents have the right to determine each student's dress, providing that such attire complies with the health code of the State of New Hampshire, and does not interfere nor disrupt the educational process of the school.

Building principals are authorized to issue regulations to implement this policy, provided that such regulations are approved by the Superintendent.

Mrs. Connie Twombly, Chairperson
Mrs. Ann Glidden
Mr. Joseph Fleck
Mrs. Peggy Richards
Mr. Brad Daudelin

Adopted by the Board: 21 March 2001
