

## RELATIONS WITH POLICE AUTHORITIES

It is the policy of the schools to cooperate with law enforcement agencies including DCYF (see JICDE for Memorandum of Understanding).

When the police are called to any school in this district, or when representatives of the police, local or state, are at school for any investigation, at least one school board member is to be notified of this as soon as possible, and in no case, later than twenty-four hours after the event. The report should indicate what police body was represented and for what purposes.
